Task of Committee:

The Committee on Academic Affairs and Standards shall initiate policy concerning the academic standards of the University subject to the approval of the University President, study regulations adopted by the various agencies that affect the academic policies of the University and bring them into conformity with such regulations, hear routine appeals for waiver of academic regulations in cases of individual students, act as a final court of appeal in cases concerning accusations of unfair and capricious grading, and formulate other University policies as directed by the University Provost.

Progress Report: Since the last Faculty Senate meeting, the following has been accomplished:

1. The committee recommended changes to the RN to BSN program.
2. The committee recommended that AP credit be offered for STAT 214.
3. The committee recommended that more detailed information on course equivalencies be made available to international students.
4. One case was brought to the committee concerning waiver of University regulations and the waiver was approved.

Anticipated Future Plans:

The next meeting date is January, 2014.

Action Required by the Faculty Senate:

None
